Tips on Clothing...

We encourage the casual look. Wear your favorite clothes, ones that you feel comfortable in. We want you to be relaxed! Please note the following helpful guidelines:

* Light background - choose light clothing

* Dark background - choose dark clothing

* Remember to colour match socks too!

* Keep the color range within the group the same. All dressed in shades, ie; of red, or blue, etc.

* Darker tones tend to minimize body size

* Dress everyone in the same style of clothing. Do not mix casual and formal attire.

* The face should be the focal point, so long sleeves, solid colours are best. Use bold colours and prints as accents only. (Children can be an exception here.)

* Make sure you are happy with your hair style. Do a trial prior to portrait day.

* Some make-up is a good idea for the ladies. Foundation evens out skin tones, mascara brings out the eyes and lipstick or gloss defines the lips, blush will add color to the cheeks. Even if you don't regular wear make-up, a little will make a big difference for your portraits as studio lights do wash out complexions and accentuate oily skin.

Touch Up...

If needed, we offer basic touchup services. Minimum charge of \$25.00. Each job is quoted. Please allow additional time for your orders to be completed where touchup is required.

Backdrops...

We offer a number of different backdrops and props. Please come in and let us show you what there is to choose from.
